Expressing grave concern about the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force, the use of collective punishment, the reoccupation and closure of areas, the confiscation of land, the establishment and expansion of settlements, the construction of the wall inside the Occupied Palestinian Territory in departure from the Armistice Line of 1949, the destruction of property and infrastructure, and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned about the military actions that have been carried out since 28 September 2000 and that have led to thousands of deaths among Palestinian civilians, including hundreds of children, and tens of thousands of injuries,

Expressing deep concern about the recent deterioration in the humanitarian and security situation in the Gaza Strip, including that resulting from the continuation and rise in the bombardment against civilian areas, air raids, sonic booms and firing of rockets, particularly from the military actions carried out by Israel, the occupying Power, that endanger the Palestinian civilian population, and especially deploring the killing of Palestinian civilians, including women and children, that took place in Beit Hanoun on 8 November 2006,

Expressing deep concern also about the vast destruction caused by the Israeli occupying forces, including of religious, cultural and historical sites, of vital infrastructure and institutions of the Palestinian Authority, and of agricultural land throughout Palestinian cities, towns, villages and refugee camps, and expressing deep concern about the short- and long-term detrimental impact of such destruction on the socio-economic and humanitarian conditions of the Palestinian civilian population,

Expressing deep concern further about the Israeli policy of closure and the severe restrictions, including curfews and the permit regime, that continue to be imposed on the movement of persons and goods, including medical and humanitarian personnel and goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socio-economic situation of the Palestinian people, which remains that of a dire humanitarian crisis,

Concerned about the continued establishment of Israeli checkpoints in the Occupied Palestinian Territory, including East Jerusalem, and the transformation of several of these checkpoints into structures akin to permanent border crossings inside the Occupied Palestinian Territory, which are severely impairing the territorial contiguity of the Territory and severely undermining efforts to rehabilitate and develop the Palestinian economy,

Expressing deep concern that thousands of Palestinians, including children and women, continue to be held in Israeli prisons or detention centres under harsh conditions that impair their well-being, and expressing concern about the ill treatment and harassment of any of the Palestinian prisoners and all reports of torture,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties implement the agreements reached and, in this regard,

recalling the positive contribution of the Temporary International Presence in Hebron,

Stressing the necessity for the full implementation of all relevant Security Council resolutions,

1. *Reiterates* that all measures and actions taken by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and contrary to the relevant resolutions of the Security Council, are illegal and have no validity;

2. *Demands* that Israel, the occupying Power, comply fully with the provisions of the Fourth Geneva Convention of 1949 and cease immediately all measures and actions taken in violation and in breach of the Convention, including all of its settlement activities and the construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, as well as the extrajudicial executions;

3. *Condemns* all acts of violence, including all acts of terror, provocation, incitement and destruction, especially the excessive use of force by the Israeli occupying forces against Palestinian civilians, resulting in extensive loss of life and vast numbers of injuries, including among children, massive destruction of homes, properties, agricultural lands and vital infrastructure, and the internal displacement of civilians;

4. *Expresses grave concern* at the use of suicide bombing attacks against Israeli civilians resulting in extensive loss of life and injury;

5. *Notes* the Israeli withdrawal from within the Gaza Strip and parts of the northern West Bank and the dismantlement of the settlements therein as a step towards the implementation of the road map;[2]

6. *Calls upon* Israel, the occupying Power, in this regard, to comply strictly with its obligations under international law, including international humanitarian law, with respect to the alteration of the character and status of the Occupied Palestinian Territory, including East Jerusalem;

7. *Demands* that Israel, the occupying Power, cease all practices and actions that violate the human rights of the Palestinian people, and that it respect human rights law and comply with its legal obligations in this regard;

8. *Urges* Member States to continue to provide emergency assistance to the Palestinian people to alleviate the financial crisis and the dire socio-economic and humanitarian situation being faced by the Palestinian people;

9. *Calls upon* Israel, the occupying Power, to release the tax revenues due to the Palestinian Authority, in accordance with the Paris Economic Protocol of 1994, and to ease the severe closures and restrictions on movement;

10. *Acknowledges* the role the temporary international mechanism plays in assisting directly the Palestinian people, and encourages interested donors to make use of the mechanism;

11. *Emphasizes* the need to preserve the Palestinian institutions and infrastructure for the provision of vital public services to the Palestinian civilian

population and the promotion of Palestinian civil, political, economic, social and cultural rights,

12. *Demands* that Israel, the occupying Power, comply with its legal obligations under international law, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice[4] and as demanded in resolutions ES-10/15 of 20 July 2004 and ES-10/13 of 21 October 2003, and that it immediately cease the construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, dismantle forthwith the structure situated therein, repeal or render ineffective all legislative and regulatory acts relating thereto, and make reparation for all damage caused by the construction of the wall, which has gravely impacted the human rights and the socio-economic living conditions of the Palestinian people;

13. *Stresses* the need for respect for the unity and territorial integrity of all of the Occupied Palestinian Territory and for guarantees of the freedom of movement of persons and goods within the Palestinian territory, including the removal of restrictions on movement into and from East Jerusalem, and the freedom of movement to and from the outside world;

15. *Requests* the Secretary-General to report to the General Assembly at its sixty-second session on the implementation of the present resolution.
